## Features:

### Scan 18 double-sided pages per minute:

In one step, the Fujitsu ScanSnap S510 scanner digitizes both sides of a document in a single pass, in color, and at an amazing speed of up to 18 pages per minute.

### Advanced features for the ultimate ease of use!

With a touch of the button the ScanSnap S510 scanner enhances the user experience with a host of automatic features, including:

#### Auto paper size detection

Scan mixed batches of documents containing paper ranging in size from business cards to legal sized documents.

#### Auto de-skew

Automatically straightens and aligns text and images into their correct orientation.

#### Auto blank page removal

Save storage space and eliminate the need to edit scanned documents with the ScanSnap S510's ability to recognize and delete blank pages.

### Instantly create searchable PDF files:

The included "ScanSnap Organizer" automatically converts scanned data into searchable PDF files, while the ScanSnap S510's image enhancement technology increases character recognition for more precise OCR accuracy.

### Scan directly to Microsoft® Office Applications:

The bundled ABBYY FineReader® software enables the user to scan documents directly to applications such as Microsoft Word, Excel® and PowerPoint software

### Quickly organize business card information:

Scan business cards directly to your contacts database with the included CardMinder™ application. CardMinder captures information written in 8 languages from scanned business cards images and stores this information in an easily accessible format.

### Increase productivity with enhanced functionality:

The new Quick Menu provides dynamic control over the destination of scanned documents. If attaching scans directly to an email, the user can quickly change the file name and protect it with a password for added security.

### Simple installation and operation in a compact design!

The ScanSnap S510 scanner easily installs via its USB 2.0 interface and its small footprint requires less space than a letter size piece of paper.

### Advance Exchange service program maximizes uptime:

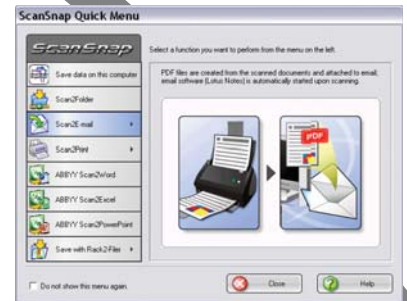

The ScanSnap S510 scanner is covered by a one-year Limited Warranty. An upgrade to the Advance Exchange service program (sold separately) is also available to eligible purchasers at [www.BuyFCPA.com](http://www.BuyFCPA.com). For full details on the Limited Warranty and on all service programs, go to [www.ImagingService.com](http://www.ImagingService.com) or call (800) 626-4686.

# Quickly and Easily Digitize Various Document Types!

## Features

### Scans 18 Double-Sided Pages Per Minute:

Built to be a performer, the Fujitsu ScanSnap S510M scanner digitizes both sides of a document in a single pass, in color, and at an amazing speed of up to 18 pages per minute (36 images per minute in duplex). With an auto document feeder capable of feeding 50 pages continuously, the S510M can scan through stacks of documents in no time flat!

### Advanced Features for the Ultimate Ease of Use!

With the touch of a single button, the ScanSnap S510M displays images as they are meant to be seen using a host of automatic features, including:

#### Auto color detection

The ScanSnap S510M distinguishes color documents from black & white and converts them into PDF files.

#### Auto paper size detection

The ScanSnap S510M recognizes the size of each page being scanned such as A4, B5, A5, B6, A6, Business Card, Legal and Letter.

#### Auto de-skew

The ScanSnap S510M straightens images and shows them in their proper orientation.

#### Auto blank page detection

The ScanSnap S510M saves storage space and editing time by automatically deleting blank pages.

### Scan more with the Carrier Sheet

The ScanSnap S510M provides a Carrier Sheet to permit digitizing delicate documents as well as paper as large as A3.

### Intel® Mac® Compatible

The Fujitsu ScanSnap S510M scanner is supported by Mac OS® X v10.4 Tiger and Intel® or IBM® PowerPC® based computers.

### Compact Angular Design

With a tiny footprint that takes up less space than a letter size piece of paper, users will never have to worry about where to place a ScanSnap S510M on a packed desk. Space efficiency and document feeding performance is further enhanced with the addition of a built-in stacker that conveniently folds over its angular design.

### Adobe® Acrobat® 8 Professional for Mac® Included

Adobe® Acrobat® 8 Professional software enables Mac users to reliably create, share and control authentic Adobe PDF documents for easy, more secure distribution.

### Increase Productivity with Enhanced Functionality:

The Quick Menu sets a new standard in ease-of-use and control over scanned documents. Attach scans directly to email, save scans to selectable folders or send scans directly to a printer in place of a photocopier. With Quick Menu, ScanSnap S510M users get more out of their scanned data.

### Instantly Create Searchable PDF Files:

Powered by the included ABBYY FineReader software, the ScanSnap S510M can automatically convert scanned data into searchable PDF files that support Mac OS "spotlight" and Adobe® Acrobat® searches.

### Advance Exchange Service Program Maximizes Uptime:

The Fujitsu ScanSnap S510M scanner is covered by a one-year Limited Warranty. An upgrade to the Advance Exchange service program (sold separately) is also available to eligible purchasers at [www.BuyFCPA.com](http://www.BuyFCPA.com).
